Notes

You should book your wedding as soon as you are sure of the date you require. The above fees should be paid at least by the time of the rehearsal one week before the wedding. It would be a great help if the fees could be paid in cash, to allow us to pay the organist, verger etc. on the day. Thank you.

Please note that these fees are for the current year and may be increased for weddings in subsequent years (even if you have paid in advance).
